SHORT COURSE

## WHITE CARD (NT)

CPCWHS1001 - Prepare to work safely in the construction industry

**Are you about to start a career where you will need to have access to a construction worksite? Then the law states you must have a valid White Card.**

### COURSE OVERVIEW

White Card is a term used to describe the plastic card issued by NT Worksafe through the Territory Business Centre indicating that a person has undertaken general construction induction training (GCIT)

This is a course of training that provides basic knowledge of construction work, the Work Health and Safety (WHS) laws that apply, common hazards likely to be encountered in construction work and how the associated risks can be controlled.

Under WHS legislation, workers on construction sites in Australia must undertake general induction training or 'White Card training' and have evidence of their attendance from the course before they are permitted to commence work on a construction site.

### COURSE DURATION

This course is one day.

### LOCATION

Public courses are scheduled frequently in Alice Springs and Darwin.

White Card can also be delivered regionally – please contact the NT office for more details.

Civil Train NT can come to your worksite to deliver – please contact the relevant office for a quote.

### DELIVERY AND ASSESSMENT

This course is delivered and assessed face to face.

There are theory and practical training and assessment components to the course.

### COURSE OUTCOME

On completion of the course you will be able to:

- Identify health and safety legislative requirements of construction work
- Identify construction hazards and risk control measures
- Identify health and safety communication and reporting processes
- Identify incident and emergency response procedures

If successful, you will receive a Statement of Attainment.

The Northern Territory White Card is issued by NT WorkSafe through the Territory Business Centre. This requires completion of a separate application form, which Civil Train will provide to you. You must then present this form, with your Statement of Attainment, ID, and payment (currently \$25) to the Territory Business Centre, in order to receive your White Card.

### PERSONAL PROTECTIVE EQUIPMENT

For hygiene purposes, if you have your own PPE (hard hat, hi-vis vest, eye protection, ear protection) then we ask you to please bring this with you for the practical.

If you do not, Civil Train will provide, as needed, for assessment purposes.
